Please complete the scheduling grid below:

- Place an X on the grid when you are NOT available to work.
- Place a O on the grid when you PREFER TO WORK. Blank spaces indicated that you are available, but they aren't preferred times.
- Schedule yourself for at least two hour blocks of time.
- You are expected to work at least 10 hours per week. No more than 20 hours are allowed when classes are in session (ISU regulation).

	Monday	Tuesday	Wednesday	Thursday	Friday
8-9am					
9-10am					
10-11am					
11am-12pm					
12-1pm					
1-2pm					
2-3pm					
3-4pm					
4-5pm					

*Saturday morning and weekday evening hours may be available depending on sample load

Hiring preference will be given to students having hours available to fit Seed Lab staffing needs, agricultural-related work experience and other work experience.

You will be contacted as to whether you are hired. If you are hired and have not worked on campus before, you need to bring two forms of identification. Common forms of ID are our social security card and driver's license.
